# NETWORKING SEMINARS CORPORATE SPONSORSHIP PACKAGES

Networking Seminars corporate sponsorships objective is get your corporate brand the reputation as a leader in the global marketplace. Sponsoring a Networking Seminar provides a unique opportunity to get your corporate services and products in front of senior level industry decision makers. Our seminars are designed for business to business networking to cultivate new business opportunities. Our seminars are advertised to U.S. multinationals and specific industries. Don't miss this opportunity to expose your company's logo, products and services to the global marketplace. Networking Seminars sponsors receive the following benefits:

- **Showcase your firm!** Get the prestige and recognition by positioning your firm at our conferences, as a banner ad or by sponsoring a specific industry event function.
- **Build your brand recognition!** Maximize your exposure through our web, e-mail and mailing advertisements.
- **Connect with decision makers!** Our sponsors have the ability to link directly through our conference advertisements to your website
- **Communicate with potential clients!** Placement of logo/corporate description in our many electronic advertisements and in the program materials.
- **Reward clients and attract prospects!** Sponsors at conferences receive complimentary passes to distribute to potential clients/customers.
- **Develop business relationships!** Networking Seminars is designed specifically for business to business development and advertisement
- **Identify your business needs!** We want to ensure you get the most from sponsoring our events. Please let us know what you wish to achieve and we'll do our best to make it happen.
- **Decide on your marketing goals!** Complement your advertising dollars and display your corporate services at our networking seminars!
- **Broaden your business network!** We will assist in building brand awareness and build your client relationships.
